**£511.71 donation from collection at
Melbourne Grammar School Symphony Orchestra
Queen's Hall Edinburgh 17 December 2018**

Thank you so much for inviting Drake Music Scotland to collect at last night's Melbourne Grammar School Symphony Orchestra's concert at Edinburgh Queen's Hall.

What a fabulous evening! The young musicians of the Orchestra are truly magnificent and clearly wowed the audience with their wonderful playing and mature musicianship. Indeed, we have just this moment taken a call from an audience member last night who wanted to let us know they enjoyed it so much they are going to the Glasgow performance tonight!

The audience was extremely generous and we are delighted to have collected £511.71 in donations which will go towards providing music tuition for disabled children and adults in Scotland.

Please pass on our warmest thanks and congratulations to Mark Drummond and the Symphony for their terrific and unforgettable performance!

*With best wishes
Susan*
