Dear Robin

Many thanks for the donation of £400, which was made with the proceeds of your concert on the 16th of May by the Frost Chorale University of Miami. Please convey our thanks to them.

Centre 33 is a small, local charity that offers "someone to talk to" for thousands of young people in Cambridgeshire at times that they are vulnerable due to poverty, ill health or disadvantage. We could not do our work without the support of local communities, and are always grateful, especially when funds have been raised by the endeavour and creativity of other young people.

We wish you all the best, and hope that our paths will cross again.

Yours sincerely,
