Dear Robin,

Thank you very much for your kind donation of £533.65, raised during a collection at St John's Smith Square Music Concert on Friday 22d May and for your continued support to help our work with children and young people with cancer.

As you may know, the lives of children and young people are dramatically changed by a cancer diagnosis and the effects of treatment. This normally starts immediately, is often given many miles from home and can last for up to three years. The emotional, practical and financial implications of treatment are intensely challenging for the whole family and normal, everyday life is turned upside down.

Your support will help us make a difference to the life of a child who has cancer and their family. As an example, your donation could fund CLIC Sargent's Information Service for one day, so that we can provide children and young people with cancer, and their families, with vital information about childhood cancer to help them cope with the impact of cancer on their lives.

Thank you again for your kind donation and support.

Yours sincerely
