Demelza
Hospice Care for Children

18th July 2012

Dear Robin

On behalf of the children, families and staff at Demelza Hospice Care for Children, I would like to thank UK Travel Designs LTD for their kind donation of £270.38, raised during a retiring collection at Canterbury Cathedral on Tuesday 26th June 2012. The choirs sung beautifully, it was such an enjoyable evening! I was talking to a lady at the end of the event and I described the evening as 'lovely' and her response was 'Lovely! Stunning more like!' Please pass on our grateful thanks to the Artistic Director Rollo Dilworth, and all those involved.

It costs £100 for a child's evening respite care at the hospice. During a child's respite visit we take care of the medical side of things. This allows our children and their families to relax and enjoy spending quality time together. Your donation of £270.38 will make a significant difference to the lives of the children and families who are in need of our services.

Demelza cares for almost 800 children, with life limited and life threatening illness, and their families across South London, Kent and East Sussex through:

- Hospice Care - Hospice at home care - Planned Short Breaks - Emergency Respite
- Therapies - Symptom Control - End of Life Care - Bereavement Support

A family from South London recently said **'Whilst you can walk into Demelza with the weight of the world on your shoulders, you'll very rarely come out of there with anything but a smile on your face.'** Without the help from people like you this would not be possible.

We are 100% reliant on the funds raised by collections, donations and fundraising, so we cannot thank you enough for kindly choosing to support us.

Once again, thank you for your kind support.

Please keep in touch.

Kind regards

Kate Najdowski
