Dear Robin

Thank you for raising £108 from your collection you had towards Maggie's Edinburgh. Please pass our thanks on to everyone who supported you. We couldn't continue to provide support to those affected by cancer without your help.

As you know, many people from all walks of life use Maggie's Centres every year and your support means we can be there to help many more. A diagnosis of cancer is one of the most traumatic experiences anyone has to go through and being able to visit a Maggie's Centre can make a big difference. We help people to find a way to manage and adjust to this life-changing illness. We sometimes hear from people who tell us "if only I had known about this before". Please help us tell more people that we are here if they need us.

If you haven't visited a Maggie's Centre, we hold regular welcome events – just one hour to discover why Maggie's is so special. If you would like to attend one please call 0300 123 1801 or email supportercareteam@maggiescentres.org.

Thank you again for your valuable support and we hope you will continue to help us in the future.

Kind regards

Karen - Supporter Care Team
