Dear Robin

On behalf of everyone at PSALM, I am writing to thank you and the three choirs which performed at St Pancras Church for their generosity and kindness in organising a concert here in London to benefit our work with and for older people. The amount raised was £87. Please pass on our thanks to all concerned and we hope it was a memorable experience for all who took part. The feedback we had from our members and friends was very enthusiastic and we are sincerely grateful for your help towards PSALM's on-going projects.

Yours sincerely
